

"ON THE REDWOOD HIGHWAY"

The Sonoma Index-Tribune

VOL. XLIV

SONOMA, SONOMA COUNTY, CAL., JANUARY 28, 1922

NO. 23

STOCK COMPANY EVERY THURSDAY AT THE DON

Beginning Feb. 2nd, the Penfold Stock Company, a high class theatrical aggregation, will appear at the Don Theatre every Thursday night. Their first offering will be "George Washington, Jr.", a three act play, with vaudeville between acts. The company will come here weekly direct from the Hippodrome and other leading houses on this circuit.

Next Tuesday and Wednesday evenings Manager John Mohr announces the big Zane Grey film play, "The U. P. Trail." There will be special music by the Fox sisters.

Wednesdays for movies and Thursdays for the stock company will be the new order at the Don.

GOLDEN GATE FERRY CO. SELECTS TERMINAL SITE

Final arrangements have been made between the Golden Gate Ferry Company and the State Harbor Commission for exclusive use of terminal facilities at the foot of Hyde street in San Francisco at a monthly rental of \$250. This gives the ferry company an area of more than 50,000 feet.

This site was chosen after failure to reach an agreement with the Pacific Gas and Electric Company, the latter demanding a rental entirely too high to be considered economical by the directorate of the ferry company. Three car lines, Hyde street, Stockton street Municipal and Larkin street, reach the close proximity of the terminal. The three blocks to Van Ness avenue are paved, three streets to the water front near the ferry are paved and Columbus avenue is being widened and paved through to Hyde street.

At the Alameda shipyards of Jas. Robertson, work is being rushed on the first boat for the company. The engines are being built in Oakland and the motors in New York. Work will begin soon on the terminals and it is the intention of the directors to have the boat running in June.

Mrs. Silas Olin is convalescent from her recent illness and is now sitting up daily. The baby, granddaughter of Mr. and Mrs. Henry P. Bates, is also doing nicely.

WATMAUGH BONDS LOSE BY TWO VOTES

\$7,000 School Building Project Is Defeated By a Narrow Margin After Spirited Election.

The school bond election in Watmaugh District Friday of last week went down to defeat. By the narrow margin of two votes the proposition to erect a new \$7,000 school house failed to carry. There were 45 votes cast, 28 of which were in favor and 17 against the proposition. Chas. C. Champlin headed the opposition and takes credit for defeating the project. He is a believer in consolidation.

This is the second school bond proposition to be defeated recently. Glen Ellen, Dunbar and Kenwood voted down the proposal to build a new \$30,000 school for these three recently consolidated districts. Thomas Johnson led the opposition and won.

The Sonoma Valley Union High School bond election authorizing \$115,000, had active opposition in the person of J. K. Bigelow, who put up a vigorous campaign against the bonds. The voters however, went to the polls and carried the bonds by a splendid plurality. As a result, Sonoma is to have a magnificent and modern school building, bids for the construction of which are advertised for in this issue of the Index-Tribune.

INSTALLATION POSTPONED ON ACCOUNT OF DEATH

The Masonic installation to have taken place tonight has been postponed owing to the sudden death of L. H. Golton's brother. Mr. Golton is present Master of Sonoma Lodge and out of respect to him and at the request of the incoming Master, Henry Burmaster, the ceremony will go over for one week.

Mr. Golton's brother, John, held a responsible position in San Francisco and was stricken after leaving his office Thursday night. He was an ex-service man and 34 years of age.

RED MEN INSTALL TONIGHT

The Redmen installation tonight will be attended by a degree team from San Francisco and grand officers of the Order. It will be a joint installation of both the Red Men and Bear Flag lodge, Daughters of Pocahontas. Refreshments will be served in Woodmen Hall following the installation.

WILL BE MARRIED IN THE NEAR FUTURE

Friends of Mrs. A. Moebes and Jos. English are extending hearty congratulations on their approaching wedding which will take place early next month.

Mrs. Moebes is prominent in lodge circles and is a past president of the Daughters of Pocahontas. She is a bright woman and her charm of manner makes her an ideal presiding officer.

Mr. English has been a well known resident of Sonoma Valley for many years and has a host of friends who are congratulating him on having won the gracious matron for a life partner.

BIRTHDAY PARTY

Mrs. M. F. Papina, assisted by Mrs. M. Cook, gave a birthday party on Jan. 24th to her daughter, Emma, 14 years of age. There were nineteen young people present, fourteen classmates and five neighbor children. A beautiful birthday cake with candles gleaming in its pink and white frosting was a feature of the "eats." There were games and a general good time. The young guest of honor received many nice presents.

JUDGE ROLFE THOMPSON TO SPEAK HERE

Judge Rolfe Thompson of Santa Rosa is one of his masterful addresses will be the feature of Mrs. Edgar Clements' afternoon at the Woman's Club on Friday, Feb. 17th. Mrs. L. Lutgen will be hostess. It is the regular social Friday of the club.

PACIFIC GAS AND ELECTRIC COMPANY

30th Consecutive Quarterly Dividend on First Preferred Stock

The regular dividend for the three months ending January 31, 1922, of \$1.50 per share, upon the full-paid First Preferred Capital Stock of the Company will be paid on February 15, 1922, to shareholders of record at the end of the quarterly period. Checks will be mailed in time to reach stockholders on the date they are payable.

A. F. HOCKENBEAMER, Vice President and Treasurer. San Francisco, California.

NATIVE DAUGHTERS GREET GRAND PRESIDENT

A large attendance of members of Sonoma Parlor, Native Daughters of the Golden West greeted Grand President Dr. Victory Derrick last Monday evening. The ritualistic work was much complimented after which the distinguished visitor delivered an eloquent and impressive address on the achievements and work of the order. She spoke of the homeless children, the Mills College fund, Missions and landmarks and other things which redound to the credit of California's daughters. Stress was laid upon the advantage Sonoma Parlor enjoys with its historic environment and Dr. Derrick declared it should be one of the leading Parlors of the state.

President Stella McGill presented the visitor with a handsome gift, a sterling silver pie knife, and Mrs. Aimee Drake, district deputy also received a sterling gift. Miss Dorothy Breitenbach, financial secretary was given a silver pencil in appreciation of her services.

A banquet was the culminating feature of the fine evening.

The Parlor will soon have a membership drive, so any prospective members should communicate with the local lodge at once.

TO RESIDE WITH E. T. ALLEN

The E. T. Allen home in San Francisco is being made ready for J. K. Bigelow and family, including the Misses Anna and Emma Kenyon, who are nieces of Mr. Allen, who formerly resided here. Mr. Allen is quite old, and the Bigelows will make their home with him.

The Sonoma Grove of Druids will have a visit from their grand officers early next month.

LICHTENBERG LANDS SEALS

Rudolph Lichtenberg closed the deal with the Seals this week whereby these stars of the base ball world will train at Boyes Springs. Their coming in another feather in the cap of the big resort and will do much to advertise Sonoma Valley to fans throughout the country.

BUENA VISTA FOLKS WANT LIGHT AND POWER

The people of Buena Vista, particularly along the avenue leading to the Castle, are importuning the California Telephone and Light Company to give them light and power.

This growing section of the valley has many attractive homes which need the service and it is planned to get up a petition setting forth their desire for modern conveniences furnished by the local company. It is understood that the California Telephone and Light will shortly put in a new cable to furnish more power to this section and the fast growing tracts in the vicinity of the Springs.

GOOD TIME AT STEINKAMPS

Mine host Steinkamp expects many guests this week end at his Boyes resort and will give everyone a social time including music, dancing and good eats Saturday and Sunday nights.

WANT SOUTHERN PACIFIC SCHEDULE RESTORED

Sonoma Valley is much interested in the report that the Southern Pacific Company will restore its former train service next month. The two trains a day for Sonoma Valley mean everything to this section and its development and it is to be hoped that rumors are true that the old schedule is to be resumed. On Feb. 12th, there will be a new time table go into effect on the S. P., according to authentic information. Sonoma Valley and Santa Rosa organizations should co-operate in an effort to get back the two trains a day on this branch. Furthermore, Sonoma Valley's name should appear more on S. P. maps and in folders—station names are not sufficient. If the S. P. will help in this publicity it will be of unestimable value to this section.

ROAD PROGRAM PROVIDES \$1,000,000 FOR COUNTY

The State Highway Commission has adopted a 1922 road building program for Sonoma County involving \$1,236,000. John H. Skaggs, San Francisco division engineer of the commission, stated Wednesday.

The amount will be divided among four highway projects, as follows: Healdsburg - Cloverdale, \$460,000; Santa Rosa-Sonoma, \$450,000; the Black Point cut-off, including in part Marin county, \$241,000; Fairville-Napa county line \$86,000.

Skaggs made public that the commission has decided to complete the entire Healdsburg-Cloverdale unit. The first work on the Sonoma highway will be from Santa Rosa to Wardfield station, he stated.

A VERY SICK MAN

The condition of Al Griffith, who has been critically ill, is said to be unchanged. Thursday night and Friday he was unconscious, having suffered a stroke of apoplexy.

The local editor who reported a recent public meeting as chilly will find out that the atmosphere he wrote about was warm compared to the frost he is about to get from many prominent citizens who were present.

NOTICE TO TAXPAYERS

City taxes, second instalment, are now due and payable on or before the first Monday in February, five per cent penalty thereafter.
J. H. ALBERTSON.

DEPUTY SHERIFF RECOVERS LOOT

Trails Two Youths to Sausalito, Arrests Them and Gets Back Property Stolen Here.

Deputy Sheriff Joe Ryan, the recovery specialist and all around clever peace officer, is living up to his reputation for getting what he goes after. This week after a series of robberies had been reported to him he trailed two youths to Sausalito, placed them under arrest and recovered all but two dollars of the loot they had gotten away with while departing from the Valley of the Moon.

The boys were escapes from the Feeble Minded Home at Eldridge and one of them is said to have been sent there from the reform school at Lone. The deputy sheriff found them far from half-witted and says they are a clever pair of young crooks.

After escaping from the institution they stole a couple of bicycles which they later abandoned. These were recovered and one belonging to Chas. Ellis returned by Ryan to its owner. The other bike is still awaiting a claimant.

The boys broke into a bunk house on the Jones ranch and robbed it of money, watches and other valuables. From there they went to the Foster ranch where they also robbed a house.

When apprehended at Sausalito the stolen goods were found on them and they admitted their crimes, also volunteering the information that they went through a house in Caliente Park but got nothing for their trouble. The deputy sheriff suspects that the boys were connected with the robbery of the Vineburg station last week which yielded just three pennies which the thrifty thieves took.

After two nights in the Sonoma jail the boys were turned over to the State Home, as is customary in such cases.

EASTERN STAR PARTY

The card party given by Valley of the Moon Chapter, O. E. S., brought out about 60 players Thursday evening and was a very enjoyable affair. Prize winners were C. C. Champlin door prize; Mrs. Harold Pauli, H. D. Burmaster, Mr. Camp and Mrs. Edgar Clements.

WORSE THAN IN WET DAYS

R. J. Warner, principal of the Esposito high school, and president of the Yolo County Teachers' Association has appointed a committee to investigate charges of bootlegging among school children.

GLAD HE IS NOW IN APPLE BUSINESS

John P. McDonnell, one fine editor of the Sebastopol Times, and now for many years a prosperous apple grower of the Gold Ridge district, was a visitor here Monday. John P. has an interesting family of six sons and daughters and his oldest son is the youngest had attending the Analy Union high school. "Yes, I think I got out of the newspaper business and into apple culture about the right time," said McDonnell reflectively. "I must admit that I have done pretty well, but who can help doing well in such a wonderful productive section as the Gold Ridge District?"—Press Democrat.

Mr. McDonnell, who is the brother of Librarian Kate McDonnell, began his successful career as "devil" on the Index-Tribune. He proved so precocious at 17 years that he was put in charge of the Sebastopol Times, then owned by this newspaper.

TAILORING

When your clothes need cleaning, repairing, dyeing or anything in the line of tailoring, send them to Parrent, the tailor and cleaner. Good work always. First Street West near N. W. P. Depot. Phone 136-R. 23-4t

TRIBUTE TO POPE BENEDICT BY LOCAL CHURCH

Out of respect to the Pope who passed away this week, St. Francis church was draped in mourning and there were special services held by Rev. J. F. Byrne. In speaking of the death of the great prelate, Father Byrne says: "The world has indeed lost a great spiritual factor and guide, the church a true father and the people of stricken Europe a magnificent friend. His efforts for peace and the alleviation of suffering among war stricken peoples will ever live in history. The world has been deeply mourned in many lands. May he rest in peace."

BENEFIT MASK BALL AT FETTERS SUCCESS

The Feters Springs Theatre floor was crowded with maskers last Saturday night, the date of the benefit dance for the Sonoma Valley Improvement Club. Prize winners were Charlotte Weise, Lillian Weise, Mrs. Benedetti Harold Bosserman, John Benedetti and Mr. Hall.

It was a very successful dance and greatly enjoyed by all who attended.

PLAZA IMPROVEMENT AND THE SERVICE STATION

PERHAPS THERE IS no public project dearer to the hearts of Sonoma's people than their Plaza and its improvement. Strangers, within our gates invariably think that the Plaza means nothing to us, that we have never thought it worth while to improve it. Nothing could be further from the truth. There has been plenty of sentiment and frequent spasmodic outbreaks of effort to beautify it but for lack of sufficient funds and proper co-operation it continues to be conspicuous for its unimprovement. Now comes the Standard Oil Company with a practical offer whereby the city would give the Company a site for a service station on one corner of the Plaza and in return get a rental of \$100 per month to beautify and maintain the entire square. The Company promises to equip its station with every comfort for the traveling public so that it would be in truth a service station, providing ladies' retiring rooms and other necessities for travelers. The proposition was inspired when the Company's attention was called to the public sentiment for Plaza improvement.

Inasmuch as the offer would help in great measure the financial problem which has been a barrier to betterment and would provide public convenience and comfort it readily commends itself. The Business Men's Association which numbers among its members several local automobile garage men, endorsed the plan after considering it both from the standpoint of civic betterment and business competition. It appears that there is but small profit in gasoline sales at garages and an attractive public station would catch a class of trade which now never hesitates in Sonoma but goes on to the towns which boast just such conveniences. The city trustees are said to look with favor upon the offer of the Oil Company, realizing that with \$100 coming in each month, the money could be utilized in working out the park problem to a successful and creditable conclusion. The bugaboo, however, appears to be the legal aspect which has been seized on by obstructionists to hamper the Company which has made the generous proposal to our city. If merry-go-round and carnival companies can operate there as they have many times in the past and put the proceeds of their amusement features in their pockets it would appear that a way can be found to permit the service station and its well ordered surroundings to serve the traveling public and at the same time enrich the treasury of our city.

A former trustee recalls the effort of an enterprising foreigner who wanted to start a fish market in the cement-floored City Hall and prides himself on the precedent established then by the Board which declined with thanks the rental the fishmonger offered. The refusal is indeed to be commended for as in other municipal matters, trustees should at all times use judgment and discretion. In the present instance of service station plus Plaza beautification the trustees should be given encouragement plus for their efforts to find a way whereby the offer of \$100 per month can be accepted and Sonoma's park be started. Some there are who will strain at a gnat and swallow a white elephant but there are many of us who would prefer to strain a point and get rid of the white elephant.

If, however, the law is inexorable and the trustees cannot grant the right to the Company for the generous compensation mentioned, we must continue to work out our park problem, for a park Sonoma must and will have. May ways and means be provided soon either by the city or some of our organizations co-operating with the city.

SONOMA VALLEY'S CHAMBER OF COMMERCE

THE RECONSTRUCTION PROGRAM for Sonoma Valley's Chamber of Commerce had its origin in the realization of leading directors and members that the organization was not on the proper foundation for future healthy growth. Its business methods were slipshod and did not inspire confidence. The day is past when promotion bodies can live and get any where on posure and hot air. The financial pledge and the payment into the treasury of real money by public spirited citizens is a highly important phase of efficient booster bodies. Without public interest and public confidence Chambers of Commerce are merely figureheads and of no community value. They might be of individual utility, a means to personal ends, but their use as such spells downfall.

In order to enlist the financial backing of the community, an organization must function along business lines and there must be some definite and worth while program, or budget system intelligently mapped out and adhered to. Leaders in Sonoma Valley's Chamber of Commerce were cognizant of a waning interest and a growing criticism of the methods which obtained in their organization. They realized not only the necessity of a treasurer and better business methods but of trained leadership and expert advice. The local body has had a splendid man for president, but a man whose time was taken up with many enterprises, big projects which demanded his attention. He could not assume the active leadership of the local booster body although the organization had his heartiest moral and financial support. He inspired confidence but was not in attendance enough to keep enthusiasm at the high mark it should continue to register in a useful and growing organization.

The secretary, devoted to her position, but inexperienced, strove in vain to rally a lagging interest and must not have failed to note the sleeping sickness with which the organization was afflicted.

Then it was decided by those having the organization's welfare at heart that something drastic must be done to wake it up. A live, wide awake organization is the only kind worth while and the present movement of re-organization and consultation with experts of the American City Bureau is with this end in view.

There has, quite evidently, been no ulterior motive in the re-organization movement, no petty reactionary criticism, but a straight forward realization of the necessity of a body which would function better and thrive if put upon the right foundation and possessed of a definite constructive program for the upbuilding and development of Sonoma Valley.

Every loyal member and everyone having the true interest of our valley's advancement at heart concur in the idea of re-organization and the revitalization plan. There is no explanation but a self-seeking spirit for the minority who would obstruct the larger plan for a more firmly knit organization, a definite working program and an expertly conducted campaign for membership in a healthy, up and coming body. With the right spirit predominating, and selfishness and pettiness barred, Sonoma Valley's splendid citizenship will without a doubt give a fine account of itself at the roll call of Northern California's foremost Chamber of Commerce in 1922.

POPE BENEDICT IS DEAD—peace to his ashes. The peace which abideth only in eternity—the perfect peace which was the height toward which he strived. His reign of six years was marked by the truly unselfish spiritual influence toward ending war and bringing peace to our discordant world. His good works toward this end will never be entirely

PERSONAL AND LOCAL NEWS

Tonight is the night of nights at the Chauvet, Glen Ellen, for the Native Sons of Glen Ellen hold their social dance there. A large crowd is expected.

Mr. and Mrs. W. L. Murphy were in San Francisco over the last week end and while in that city were hospitably entertained by J. J. McNeary foreman of the Examiner, and other friends.

Herman Hoz of Trinita came to Glen Ellen last week with a gray coyote pelt which measured five feet from tip to tip. He got a big varmint of the same species last winter. Some thought it was a timber wolf.

Mrs. L. Lambert, mother of the proprietor of the Corner Drug Store, is at the store daily to help wait on lady customers. Mrs. Lambert is experienced in the business, her husband having been in the drug business in the East.

Carl Smith has accepted a fine position on the S. S. Matsonia, which runs between San Francisco and the Hawaiian Islands. He ships as assistant engineer. His old friend and shipmate, Burr Robins, also has a position on the Matsonia. They were shipmates on the tug, Colona, at Crockett.

Friends of Mrs. Nellie Blair, Agua Caliente, are glad to hear she is improving from a serious and painful illness. She was attended by Dr. Thomson and Mrs. Shredar of Sacramento, a graduate nurse, for the past two months.

The Sonoma members of Santa Rosa lodge of Elks were well represented at the meeting Wednesday evening. Among those who attended were Messrs. A. and O. Maffei, Theo. Kiser, DallEmparan, Gus Marcy, Ed Peterson, S. K. Robinson, J. Panerazi, Mr. Rooney and Chas. Pagani.

known but it is comforting to know that from out our own United States the Peace Dove winged its way to the Vatican with the first real message of the new spirit betwixt nations and the concrete effort toward the foundation of world peace. It must have comforted his grace as he was leaving this mundane sphere to see the dark clouds of war lighted up by the glorious richness of a regenerated world. The Pope played no small part in the awakening of the world conscience and to whomsoever his mantle falls, noble effort will further the peace plan.

IF THE HUMAN BODY needs vitamins, then more than ever do booster bodies need something of the sort. Vitamins, not vindictiveness, build communities.

ASSOCIATION CO-OPERATES IN ADVERTISING VALLEY

The secretary of the Sonoma Business Men's Association, Charles La Torres, received a letter this week from the North of Bay Counties Association as follows:

"Eureka, Cal., Jan. 19, 1922.
"Secretary, Sonoma Business Men's Association, Sonoma, Calif.

"Dear Sir—

"Enclosed you will find a very important questionnaire. The questions contained in this questionnaire should be very thoroughly and carefully answered, as it is from this source that we expect to get our material to make up the North Bay Counties folder, which is to advertise the Redwood Highway.

"We desire to secure these answered questionnaires just as soon as possible, as we do not want to delay the work on the folders. Therefore we are sure you will attend to this matter immediately and return your answered questionnaire to us within the next few days.

"If this information and these photos do not reach us by Feb. 10th your town might be left off the map. Forty thousand are to be published and your city could not buy the same amount of favorable advertising anywhere at many times your quota in the North Bay Association. I can't imagine a live Business Men's Association secretary (and I prefer to think they are all alive) allowing his town to be left out.

"Don't delay on the biggest happening yet in this Northern California country. Sincerely,
"W. L. MILLER, Pres."

In order to follow up the splendid opportunity to advertise Sonoma Valley in the 40,000 folders, the Business Men at once called a meeting where the following questionnaire was filled out as follows and forwarded:

What do you consider the five most important outstanding and attractive features to tourists in your city?

The old Mission San Francisco de Solano and other landmarks.

The Bear Flag site where California history began.

The old home of General Vallejo who figured so largely in the Mexican regime and the California of the Union.

Sonoma Valley's natural mineral springs.

The Valley of the Moon including orchards farms and vineyards therein and the home ranch of Jack London at Glen Ellen.

Sonoma County's attractive features are:

Historical landmarks at Sonoma and Fort Ross.

The world's egg basket.

The Geysers.

The Petrified Forest.

Luther Burbank and Jack London homes.

Temperature in summer 80 degrees.

Sonoma Valley has many hotels and resorts including famous health resorts with tub baths and swimming tanks; Boyes Hot Springs, Agua Caliente Springs Hotel and Petters Springs. Prices are about \$20 per week.

Sonoma has an auto camp in its historic Plaza.

Sonoma is connected with Santa Rosa by highway now building. It is on the Black Point cut-off, with highway paved to Napa. Follow the Redwood Highway through the Valley of the Moon, the ideal playground and beauty spot of the West.

Sonoma City

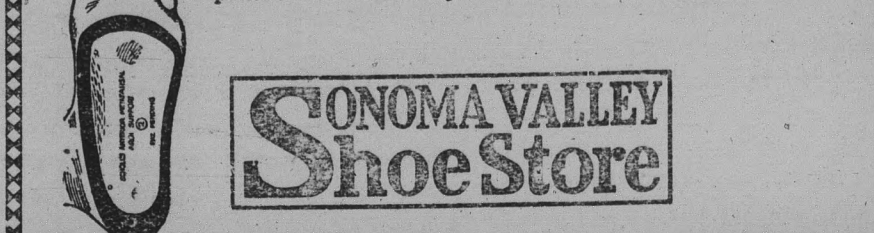

Sonoma City, once the county seat of Sonoma County, is 50 miles from San Francisco. It was the site of the last and most northerly mission founded by the padres in 1824 to keep back the Russians who had made a settlement at Fort Ross. The mission, silent monument to the influence which civilized and Christianized the Indians of early days, still stands and with many other adobe landmarks are of great interest. Here, too, was the Bear Flag party incident which resulted in California's becoming a part of the U. S. instead of Mexican territory. Built around a square or plaza in true Mexican style, the town of Sonoma is most attractive. The streets are paved and business houses are up-to-date. Excellent schools, including a new \$100,000 Union High School, three churches, two newspapers, modern bungalows, a creamery, cannery and other enterprises make it a desirable place of residence. Sonoma is on the N. W. P. railroad and is also connected with leading cities by auto bus lines. It is famous for its climate and healthful environment, its beautiful location in the Valley of the Moon and its historic association. Travelers along the Redwood Highway will find Sonoma one of the most interesting places on this beautiful scenic route.

"She Has Metatarsalgia"
This is a very prevalent foot trouble, especially among women. Metatarsalgia is caused by the arch across the ball of the foot breaking down, which displaces the tiny bones. Callouses form on the sole, soft corns develop between the toes and excruciating pains occur in this region. The foot spreads and the shoe loses its shape. To secure quick relief and restore the foot to normal condition

Dr. Scholl's
Foot Comfort Appliances

should be fitted. Dr. Scholl's Anterior Metatarsal Arch Support shown below is especially designed to correct this trouble. There is a special appliance and remedy for every foot trouble

EL VERANO ITEMS

(Interesting gleanings from El Verano's popular press agent, our old friend, Archibald McKiver)

Mrs. A. Swenson is visiting in San Francisco.

Roy Chance of Vallejo was here over the week end.

Miss Irene Dowdall of Concord is the guest of relatives this week.

Chas. Foley, well known rancher, has returned from San Francisco.

Albert Rossi and Leo Vincent motored to Glen Ellen Saturday evening.

Chas. Danieli and son Victor were San Francisco visitors last Saturday.

Mrs. Dr. Lee of San Francisco is visiting relatives and friends this week.

L. Mouyer has returned from a several days visit to the St. Helena Valley.

Mrs. Muldowney is spending the week shopping and visiting in San Francisco.

J. Porthos and wife of San Francisco are the guests of Joe Rabaut and wife.

Mrs. Rose Gatto and daughter are visiting the Chelini family from San Francisco.

Arthur Baines has sold his interest in a garage at Sacramento and has returned home.

Joe Sorini and son of Sonoma were S. P. passengers for Oakland Monday morning.

Mr. and Mrs. McKinnon motored over from Concord to attend the funeral of Miss Agnes Dowdall.

Mrs. Wm. Chance and son have returned from Modoc County and joined Mr. Chance to make their future home in the Sonoma Valley.

Archie Gale, wife and family of Winters spent the week end as the guests at the Nick Dowdall home.

Joe Chelini accompanied by Babe Gatto of San Francisco were the guests Sunday at the Chelini home.

The cold weather still continues and many of our water pipes are suffering the consequences. Our plumbers are all busy.

Phil Rossi of Rossi's Villa is having his dance hall moved, getting ready for the summer season, which promises to be a lively one.

Dal Empanan of Sonoma was here Sunday looking the town over and shaking hands with the boys about town.

C. M. Greene, who represents the new Sonoma Valley Gravel Company which will soon operate here transacted business in the bay city on Monday.

Lawyer Frank Sprague of Sonoma was renewing old acquaintances here last week and called in to shake hands with his old friend, Archie McKiver.

Mr. and Mrs. Erhart Steiger of Schellville accompanied by Mrs. Steiger's two sisters from Los Angeles motored to El Verano one day last week and visited with old friends.

Wm. Wyatt, Jr., left for Los Angeles last week where he will take an interest in a large ranch there. His many friends here wish him luck in the new enterprise.

Jack Main of Verano while motoring down Market street near the ferry, San Francisco last week, was hit by a truck. The machine was badly damaged and Mr. Main considerably shook up and is still confined to his home from the effects.

A company has been formed in San Francisco to take over the fa-

mous Agua Caliente Springs. At the head of this new body will be Tom Corcoran, now lessee of the Springs and Jack Sullivan of the Groceries-men's Association. It is said the company intends buying these world famous springs and great improvements will be made in and around the grounds.

Louis Parente, of San Francisco was at Verano Sunday looking over the site of his new 40 room hotel. Louis is a progressive, and his many friends are glad that he is to build on this beautiful site.

This many friends here were pained to learn Tuesday morning of the death of Miss Agnes Dowdall, who had been ailing for some time, at her home west of here. A large number of friends attended the funeral at Sonoma Thursday.

Mayor Van Raan is in San Francisco this week getting pointers from San Francisco officials in regards to running a town. The Verano official is wide awake and no doubt during his term will do great things. Secretary to the mayor, Brandon, is filling the office during His Honor's absence.

George Maxwell, the man that boomed El Verano 30 years ago, was in El Verano last Monday. Mr. Maxwell called on the writer and other friends here, who were glad to see the founder of the old town. He returned to San Francisco Tuesday, but expects to spend some time on his ranch here before returning to the Eastern states.

\$240,596 IS APPORTIONED TO SCHOOL FUNDS

County Auditor A. C. Pool has made an apportionment of the high school bond, the grammar school bond, the high school special, the grammar school special and the kindergarten school funds from county funds received in the first instalment of taxes. The aggregate amount apportioned is \$240,596.74, and is divided as follows in local districts:

Grammar school bond:
El Verano No. 1.....\$264.64
El Verano No. 2.....249.23
Flowers.....367.60
Sonoma.....1,147.38

High school special:
Sonoma Valley Union.....7,756.60

Grammar school special:
El Verano.....17.96
Flowers.....286.30
Glen Ellen.....9.61
Huichica.....211.56
San Luis.....72.63
Sonoma.....2,244.69
Tule Vista.....210.22
Watmaugh.....120.34

Grammar school building:
Dunbar.....1.09
Glen Ellen.....4.99
Sonoma.....13.17

MORAL—BUY MORE VINEYARDS

E. T. Downs, a former Napa county vineyardist, who temporarily is residing in Oakland, and who returned recently from Washington, where he went in the interests of the California vineyardists and wine makers with a view to getting relief measures for the disposal of wine and grapes, strikes a warning note to vineyardists:

"The dry forces are in control in Congress and unless the vineyardists of California wake up and take radical action they will find themselves barred from disposal of grapes entirely. I was told by dry leaders in Congress that inside of two years it would be impossible to sell grapes legally for wine.

"It is no rash statement to say that the dry sentiment is overwhelming in Congress. If a person will take a map and mark down the wet and dry states he will be amazed to find how strongly the drys are entrenched throughout the country, and it is no idle boast when the drys declare they will make laws which will prevent the sale of grapes for wine-making purposes."

NEWS FOR THE FARMER

The California Cherry Growers Association at a conference held this week in the office of the Division of Markets elected directors and officers for the coming season, and planned an intensive drive for new members. The drive is now actively under way with officers of the association at work in Alameda and San Joaquin counties.

The following directors by counties were named: Sonoma, L. A. Frei; F. W. Maddocks; Napa, L. F. Coombs; San Joaquin, A. B. Haslach, C. Searle; Alameda, C. Long Jr. The new officers are F. W. Maddocks, president; A. B. Haslach, vice president and C. Long, Jr., secretary.

The success of co-operative marketing organizations among the farmers according to the Division of Markets is stimulating the demand by consumers for the establishment of public markets.

San Diego is the first city to apply directly to the Division of Markets for assistance in the establishment of such a market and Harry S. Maddox, chief of the division, is now in that city making a survey in preparation for offering the active assistance of the state in the project.

Among other cities considering the establishment of public markets, Fresno is now engaged in revamping its public market ordinance with the idea of assuring that it shall provide direct access by the producer to the consumer. Other cities interested have not yet proceeded beyond preliminary stages.

Speaking before an open mass meeting held in San Diego this week to discuss the advisability of establishing a public market, Mr. Maddox said: "There is a big gap between the man who raises produce and the consumer who buys it, and a municipal market properly organized would, I think, bridge that gap to a great extent."

MEMBERS OF NEW SPORTSMEN'S CLUB

Among the members of the recently organized Sonoma County Sportsmen's Club are Henry F. Bates, Harry Weise, Charley Potter and Ned Wilson of Kenwood. The creed adopted by the club is as follows:

I hereby agree to abide by the following sportsman's creed:

1. Never in sport endanger human life.
2. Never kill wantonly, or needlessly or brutally.
3. Obey the laws of the state and nation, work for better laws and uphold the law enforcing authorities.
4. Respect the rights of farmers, and property owners, and also their feelings.
5. Always leave seed birds and game in covers.
6. Never be a fish hog.
7. Discourage the killing of game for commercial purposes by refusing to purchase the same.
8. Love Nature and be a gentleman.

A FLOURISHING GOLF CLUB

At the annual meeting of the Santa Rosa Golf and Country Club which was held Tuesday night at the new club house in Rincon Valley, a new board of directors was elected, the initiation fee was increased to \$150, and the price of life memberships was raised to \$1000.

Among other things it was decided to authorize the directors to open the membership list at such time and in such way as they see fit, the limit being fixed at 300. The limit of 200 members fixed at the last annual meeting was long since completed, and there is at present a waiting list numbering between 45 and 50.

A strange bird, declared to be a cross between a Buff Orpington hen and bronze turkey gobbler and called a "turken" by the originator of the species, Z. T. Spencer, formerly of this place, was described and illustrated in a recent number of Orchard and Farm. Spencer once in the furniture business here, now resides at Santa Cruz.

SAN FRANCISCANS BUY LAND ADJOINING LONDON RANCH

The well known Hyde place, adjoining the famous Jack London ranch was sold this week by L. Monyer & Company to A. Barker and J. Meyer of San Francisco. Barker was formerly connected with the Orpheum Theatre in that city.

The place is improved with house and other buildings and is one of the most beautiful locations in the Valley of the Moon. The new owners have already taken possession and will make their home here.

RETURNS TO SCENES OF CHILDHOOD

Charles Perry, whose father was postmaster and store keeper in Sonoma sometime in the sixties, returned to the scenes of his childhood on Tuesday and looked up a few old time friends. Perry is traveling circulation manager for the Pacific Rural Press.

While in Sonoma he went out to see the old McHarvey homestead, his birthplace and boyhood home. Perry's father, having sold the place to the McHarveys. He told of crossing the road and going down the avenue of the old General Vallejo home when just a toddler, and remembers that General Vallejo held him on his knee. When he first started to school here in Sonoma he and Fred Duhring went hand in hand to the class room.

Perry's father, now over 90 years of age, is still alive and resides in Oregon. Some of his mother's people, related to the Weems family, are at rest in Mountain Cemetery.

CLUB NOTES

A most interesting program was given at the Woman's Club on Jan. 20th, the attraction being Miss Cooper's trip to Alaska, most charmingly narrated, and the vocal selections by Mrs. Lombard of Rincón Valley. Many friends accompanied the visitors.

Miss Alice Young was admitted to membership.

A card party for Feb. 3 is announced and many tickets are being sold by an active committee composed of Mrs. Emparan, chairman, Mrs. George Leiser, Mrs. J. Tate and Mrs. J. Pleetti.

L. V. EMPARAN,
Club Reporter.

SUPERIOR COURT NOTES OF LOCAL INTEREST

W. W. Carter vs. M. Goodman to be set for March 23.

Hugo L. Kuster vs. Adolph Luder-mann continued to January 30th.

Maria B. Trappe vs. Adolph Trappe motion to set aside default dropped from calendar.

In re estate of Cains T. Ryland deceased final account settled and allowed as per motion for partial distribution.

SONOMA COUPLE IN AUTO ACCIDENT

Mr. and Mrs. Conrad J. Kiser, who reside on the Agnew ranch near Sonoma, which they purchased some years ago, were seriously injured in an automobile accident on the Lakeville highway on Friday afternoon of last week at three o'clock when their car collided with a machine which was ahead of them.

Mrs. Kiser incurred five cuts on the face and suffered from the shock. She had just recently returned from the hospital where she had been receiving treatment. Mr. Kiser incurred a deep cut on the upper lip and a gash on his nose.

W. C. Keig, formerly of this city, who was enroute here from Napa, happened along just after the accident. He removed the injured woman into his car and accompanied by Mr. Kiser proceeded to Dr. S. Z. People's office where the injured were attended. After the doctor dressed the wounds the couple left in one of the Black and White taxi cabs for their home near Sonoma.

The name of the owner of the auto in the collision with Kiser was not learned. Both machines were badly damaged. According to Mr. Kiser, who was driving along the Lakeville highway en route home, he had looked back into the rear seat of his car to see if he had all his packages, having been on a shopping trip to Petaluma, and while thus engaged, struck the car in front of him. The driver of the other car escaped injury.

The Kiser car was towed to a garage for repairs.—Petaluma Courier.

WHIST PARTY AT BOYES SPRINGS

The Boyes Springs New Improvement Club held a whist party at the Boyes club house last Friday evening. There was a large attendance and every one enjoyed themselves. There were no charges to the players, and after the whist party there was a light luncheon served to all. Everything was free. There were nine very nice prizes given away to the players. These prizes were all donated by the citizens of Boyes Springs, to-wit: Mr. Meinhardt; Mr. Wagner, who donated two prizes; Mr. Hupard, Woodleaf Grocery; Mrs. Farrell, of the Oaks; Mr. Maley; Mrs. Wohren and Bob Liaros.

The first prize was won by Mrs. Bidwell and the other prizes were awarded to the following: Mr. Maley, Mr. Steinkamp, Mr. Moeller, Mrs. Blish, Mr. Oester, Mr. Bush, Mrs. Bosserman won the booby prize. After all was over all present stated that Boyes Springs was the place that knew how to do things. The next whist party to be given by the Boyes Springs New Improvement Club will be a bummer and will be held about the middle of next month. Again everything will be free.

INTERESTS CLUB WOMEN WITH ALASKAN TRAVELS

Miss Edna Cooper, in delightful conversational style, interested a large number of club women at last Friday's social afternoon with her story of her summer's trip to Alaska. Vivid description and humorous incidents enlivened her narrative.

Miss Cooper took her audience with her from Seattle to Ketchikan and its canneries; Wrangell and its totem poles; Petersburg, the little Norway of Alaska; the Taku Glacier which she viewed at 3 a. m.; Juneau, Douglas and the Treadwell Mine; then on to Skagway. After leaving the boat the travel led via the railroad along the Klondike trail to Whitehorse and the lake country. Five days were spent by the sightseers at the Whitehorse Hotel, from where many interesting side trips were taken. Photos of Alaska were passed among the audience as Miss Cooper told of her rainy trip.

Mrs. Alma Koehom served dainty refreshments at the conclusion of the program.

DEATH OF A DAUGHTER

Mr. and Mrs. Claude Johnson are in receipt of a paper from Ayer, Mass., giving an account of the death of the only daughter of B. P. Norris, former Sonoma resident. The daughter, Mrs. Mary A. Laurence, had made a home for her aged father at that place and her death is to be much regretted. She was 66 years of age. Besides her aged father, a husband, son and grandchildren mourn her.

IS CONVICTED OF UNNATURAL CRIME

Bert Palmer, charged with a statutory offense against his 15 year old daughter, was convicted by a jury in Santa Rosa Tuesday. The complaint was sworn to and the case prosecuted by Assistant District Attorney Ross Campbell. The jury was out just ten minutes.

REGISTERING VOTERS

County Clerk W. W. Feff, Jr., has appointed George Breitenbach, Mrs. Carrie Burlingame and A. Beretta to register voters in Sonoma precincts. At El Verano Tom Mullen is the registrar of voters and will be found daily at Mullen's Store with all necessary blanks.

DAUGHTER OF PROMINENT FAMILY LAID TO REST

Miss Agnes Dowdall, daughter of one of Sonoma's prominent pioneer families, passed away Tuesday after an illness dating back many years. Deceased was able to be about up to a few months ago and bore her affliction with patience and Christian fortitude. She was a devout Catholic, and on Thursday, all that was mortal of deceased was borne to the church where she had worshipped so faithfully these many years and a solemn Mass was said by Rev. J. F. Byrne in the presence of many old friends and loved ones. Interment was at the Catholic cemetery.

A sister, Mrs. Kate Murray and three brothers, R. J. and J. N. Dowdall of this valley and Ed Dowdall of Alameda, survive deceased.

PETALUMA BOY SCOUTS DEFEATED VISITORS

The Petaluma Boy Scout team defeated the Sonoma Boy Scouts in an interesting game of basket ball at Dreamland rink Thursday night by the score of 21 to 19. A return game will be played at Sonoma at a near date. The Sonoma boys are a fine set of young fellows and did not mind the defeat.

Edward Fraser acted as referee and Fred Farquar was time keeper. John Barry, Jr., is the captain of the Boy Scout team of this city.

Lauren Soldate was the star performer of the Petaluma team, while Jimmy McCosker starred for the visiting team.

This is the way the teams lined up:

Petaluma—Forwards, Harold Farquar and Earl Soldate; center, John Barry, Alvin Agnew substitute; guards, Lauren Soldate and Lucian Libarile.

Sonoma—Forward, G. Reed and Jimmy McCosker; center, V. Erlebach; guard, P. Robin and C. Hunter.

After the game Troop 5 of the Boy Scouts served chocolate and cake to the players.—Petaluma Courier.

STANDARD OIL WOULD LEASE FROM CITY

The Standard Oil Company has reiterated its generous offer to pay \$100 a month to the city of Sonoma for a site for a service station on the Plaza. The service station would be standard steel frame and glass with a 75 foot cement approach on First street west accommodations and conveniences for the traveling public and well kept grounds would characterize the improvement.

If at any future time the arrangement terminated the cement approach and floor of the station could be utilized for a community rest room. It would be a permanent improvement and a substantial one.

The city trustees are giving every consideration to the offer as they realize the people would like to see the fine improvement materialize. The company would take either a three or five year lease.

That Big Oil Well

Every day some one asks: "When are you going to start that big well?"

Answer: As soon as we can order our machinery (which has been shipped from the East and awaits our order at Long Beach) and an 84-foot standard derrick and buildings for help and machinery can be erected, actual drilling will be started.

We cannot place these orders until we have a few thousand dollars more paid in the bank, not subscribed but paid in.

We want you to realize we are not just "stock sellers" but are in this project heart and soul. Pending commencement of work on the big well, we are working steadily. Every dollar invested by us enhances the value of Griffiths Oil Company stock, and lessens your chance of loss.

We know there are those who say we have "seepage" and others who say we have good "indications." We ask you: If you drilled a water well to a depth of 46 feet, and, a few days later, you found the water had risen in a 10-inch casing to within six feet of the surface, would you think you had water "seepage" or water "indications," or would you think you had a water well, which would increase its supply by pumping?

Oil in our Well No. 2 (46 feet deep) stands in the 10-inch casing to within six feet of the surface. Yes, we have been asked: "Well, why don't you pump it?" and "Why don't you market it?"

It takes money and time to do these things, and, until we are permitted to use the funds already subscribed to the Griffiths Oil Company, which are lying in escrow, we are obliged to go slowly.

However, H. Schwarz Company has completed the first 5,000 gallon tank for us, and, as soon as it and the necessary pumps are installed, Wells Nos. 1 and 2 will be pumped and the oil stored. We cannot store the oil in open earth dams, as it evaporates in a few days, so it is best to cap the wells until the proper pumping system is put in.

We know you are interested in what we are doing, and are eagerly watching further developments. But, if you "let George put up the money" for these further developments, remember, it will be "George," not you, who will reap the benefits which may accrue.

You know we already have two successful small wells, and more small wells will increase production. You also know what a successful big well would mean to this section of the State and to yourself, if you had a few shares in it.

If you want to see the Big Oil Well started send in your subscription today for a block of stock. It need not be a large block. The stock is only \$1.00 a share, and, you may pay for it in four monthly installments. If, after ten days' investigation, you find conditions are not as we represent them, we will return your money.

There Is No Time Like the Present. Act!

Griffiths Oil Co.

AUGUST SCHWEIGHARDT DEAD

August Schweighardt died here at the home of his guardian and friend, J. G. Marcy, yesterday. He was a native of Germany and was 73 years old. The funeral will probably be held Sunday.

GRAPE CROP OF 1922 TO BE TAKEN CARE OF

There will be no repetition of conditions existing throughout the Sonoma county vineyard districts during the height of the shipping season for grapes last year, it is indicated in information that shipping companies are purchasing new cars to handle 1922 fruit crops, of which the grape crop is not by far the least.

NOTICE OF FIRST MEETING

In the Southern Division of the District Court of the United States, in and for the Northern District of California. In the matter of Max Kaplan, bankrupt. No. 12863.

To the creditors of the above named bankrupt:

Take notice that Max Kaplan, of Sonoma, bankrupt above named, has been duly adjudicated a bankrupt under the Act of Congress, July 1st, 1898, and that the first meeting of the creditors has been called to meet at the office of the undersigned, in the Bank of Italy Building, Santa Rosa, Sonoma County, California, on Wednesday, Feb. 8, 1922, at the hour of 11 o'clock a. m., for the purpose of proving their claims against the estate of said bankrupt, and at the same time and place all creditors whose claims have been duly proved and allowed shall appoint a trustee of said estate, and also may consider whether said trustee shall be authorized to sell the property of said estate, and to transact such other business as may properly come before said meeting.

Credits must be prepared in form required by the bankruptcy act, and sworn to.

Dated Jan. 23, 1922.

ARCHIBALD M. JOHNSON, Referee in Bankruptcy in and for the County of Sonoma.

There is a best in everything—in coffee—

HIGH SCHOOL NOTES

Sonoma High, 12; Healdsburg, 16; is the tale the score book told after a hard fought battle between the 130 pound teams of the above institutions on last Friday night. Yes friends, it's a sad tale, but true. Had the boys played the kind of ball they are capable of playing, the result would have been different. Much disappointment, there is no doubt, but that the team as a whole were playing decidedly off form. Not at any time during the entire game did they play the brand of ball they have played in previous games this season. We are good losers and don't mind being defeated by better teams but there is very little doubt but that Healdsburg 130 pound team is the weakest league team we have played this year. That's just why we are all so riled up over this first defeat.

Both teams played a decidedly defensive game which accounts for the low score and also for the fact that from the audience's standpoint it was apparently a very slow game. At the present time Sonoma is leading the league in the 130 pound class, having won three and lost one game.

The unlimited game was a decided contrast to that of the 130 exhibition, Sonoma playing even better ball than it did against Petaluma and Anay. The open floor work of the Sonoma boys was the outstanding feature, showing very nice form in changing from defense to an aggressive offense formation. There is no doubt but that our unlimited team is the class of the league from the showing they have made in the last three games played.

A week from Friday night, Feb. 3, we play Santa Rosa at Union Hall for what may be the county championship, depending on the results of this week's games.

The Sophomore party last Saturday night was a great success. Dancing and refreshments were enjoyed throughout the evening by the guests, but much to the sorrow of those present, the lights were out at 11:30 as per instructions from headquarters.

The Trustees, Architect Weeks and Prof. Golton met Wednesday night formally accepted the new school plans and are now advertising for bids. Hurray!

The O'Connor Furniture Company, of Santa Rosa, has decided to offer three prizes for the best essay on the wonderful picture now being exhibited at their place of business, "The Conqueror."

Ten dollars will be awarded for the best essay, and \$5 and \$2.50 will be the awards for second and third best essays.

These essays are to be 100 words in length, and those who intend to enter the competition are invited to come in and make a thorough inspection of the work of art.

The contest closes Saturday, Feb. 4th, and is only open to children between the ages of 8 and 15.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received up to and opened at 7:30 p. m., on the 25th day of February, 1922, at the Sonoma Valley Union High School Building, Sonoma, California, for the erection and completion of a two-story concrete high school building according to plans and specifications prepared by W. H. Weeks, the authorized architect, employed by the Board of Trustees.

Separate bids will be received on the General Contract and on the Heating System as called for in the specifications. Each bid must be accompanied by a certified check of 5 per cent of the amount of the bid, check to be made payable to Dr. W. B. Hays, clerk of the Board of Trustees, and to be certified to by some responsible banking institution.

Bids must be made out on blank forms supplied by the architect. The plans and specifications may be seen in the office of the clerk of the Board, Sonoma, California, or may be obtained from the architect, W. H. Weeks, 369 Pine street, San Francisco, California. A deposit of \$20.00 will be required for plans loaned out.

The sealed bids accompanied by certified check should be mailed or delivered to Dr. W. B. Hays, Sonoma, California.

The Board of Trustees reserves the right to reject any and all bids.

GEORGE H. CASSIDY, President;

DR. W. B. HAYS, Secretary;

FREDK. HELBERG, THOMAS JOHNSON, L. M. BISH,

Board of Trustees of Sonoma Valley Union High School District.

O'Connor Furniture Co.

511-515 FIFTH STREET SANTA ROSA

WATMAUGH DOINGS

The trustees of Watmaugh met at Trustee Tallman's residence on Tuesday evening and received a committee of the Farm Center. The business on hand was the inaugurating of tree planting and other improvements on the school premises. The Farm Center committee was composed of R. A. Dow, W. L. McAlister, L. L. Stenquist, F. F. Wedekind and E. T. Casson, who offered their assistance in beautifying the school premises by bringing an expert landscape gardener from the University, by getting in touch with the proper sources from which trees may be obtained, etc. The trustees very gladly accepted the assistance and voted "full steam ahead."

The trustees, on motion of Mrs. Annie Douglas, proposed to have a dance, for the benefit of the organ fund. The organ is used daily in the school by Mrs. Leshner, who is a very competent music teacher, according to the opinion of the trustees, and who has been very active in securing the organ. The following committee was named by the trustees: Messrs. Randolph, Champlin, Douglas, Leshner, Messrs. L. Felder, Harold McPhedrain and J. Felder. The dance will be held Saturday evening, Feb. 4, at Watmaugh school, and that means a full house, good music and a good time.

Mr. and Mrs. Stanley A. Robinson

are caretakers of the Z. Lane ranch during the owner's absence up north.

VINEBURG NEWS

Mr. and Mrs. Fred Batto accompanied by their young son, John Herbert, departed on Wednesday last for the Summit, where they will enjoy the beauties of the snowcapped Sierra Nevada for several days.

James Festino, one of our local capitalists, visited the metropolis the week end looking over his real estate interests.

Some one started the report that Vineburg was going to start a sausage factory. I guess it is because every one is killing pigs now, for Minnie Madden told us that there are just as many dogs around here as there ever were and Minnie knows.

Asa Kimbrough, formerly a well known citizen of this place, but now a resident of Wasco, Calif., was a visitor here on last Tuesday.

Mr. and Mrs. August Figne and family of San Francisco were the week end guests of Mr. and Mrs. J. Batto.

Louis Martin was a visitor in the metropolis on Monday last to attend the funeral of a deceased friend.

Mrs. Frank Groskopf of Vallejo was the week end guest of friends and relatives in this vicinity and returned home Sunday.

FRESNO CLAIMS HEAVIEST SNOWFALL

Fresno County will be well in the running this year in claiming the heaviest snowfall of any district in the United States, if the weather man maintains his present mood.

The popular impression still goes in 47 states of the Union that Fresno is a warm place, but there is at least one section of the county that isn't just now. This is up in the Sierra Nevada mountains, where Fresno County comes on to the rim of the world.

It is many a year since even the Sierras knew such a heavy precipitation. Trappers coming back from the trails and lumbermen working high up in the mountain camps tell of everything being covered with a heavy white carpet from six to eight feet in depth.

The U. S. weather station at Camp Seven—which is about 7,000 feet elevation and five or six miles east of Hume in the Kings River watershed—is keeping close tab on the precipitation. The weather man there registered on January 14 no less than 45 1-2 inches of snow and ice on the ground. Higher over the ridges and in the high Sierra meadows the depth of snow deposits goes well over the four foot figure, while there are drifts as deep as ten to twelve feet, so hardy travelers say.

At the Summit weather station, in

the northern Sierras, a precipitation of 48 inches has already been recorded, and the Fresno station to the south is gradually overhauling it.

The registrations of the two Sierra posts are probably higher than anything in the Rocky mountains—which would give the Sierra Nevada mountains the heaviest snowfall in the United States.
